- No profanity or excessive noise.
- Have your correct fare ready. The driver is unable to make change.
- Pets must be carried in an appropriate pet carrier. Service animals are welcomed.
- The aisleway must remain clear.
- Audio devices must be used with earphones.
- Consecutive loop riding is prohibited.

All New!

CAT is excited to introduce a new fare collection system! Customers can now select the fare that best suits their needs.

Check It Out!

24-Hour Pass (purchase on board **CAT** buses)
Replacing **CAT**'s previous Day Pass, the 24-Hour Pass is good for a full 24 hours after its purchase. Great for those who work the 3rd shift!

3-Day & 7-Day Passes (purchase at the DTS)
These passes can be purchased in advance and given out to friends and family when they visit.

90-Day & Annual Passes (purchase at the DTS)
If you're an avid monthly pass user, these options can reduce the number of trips you'll need to make to the Downtown Transit Station.

How Do I Use It?

- Bill Insertion Slot **A**
- Coin Insertion Slot **B**
- Coin Rejection Slot **C**
- Dispenser for the 24-Hour Pass **D**
- Barcode Reader for the 24-Hour Pass **E**
- Smart Card Reader **F**

Connections

When traveling on a **CAT** bus, your starting and ending locations may not be served by the same route. To reach your final destination, you may need to connect to another bus.

Passengers are allowed to ask drivers to hold a connecting bus. The connecting bus may only be held for two minutes past its departure time. If a passenger paid with a 75¢ or 35¢ fare, he or she will need to pay again when boarding the second bus.

Connections are allowed at the following locations:

- Downtown Transit Station (If applicable, drivers may elect to drop passengers off at the Omni bus stop on Ridge McIntire Road to catch their route at the Omni bus stop on Water Street)
- Barracks Road Shopping Center
- Fashion Square Mall
- JPA @ Jordan Hall
- JPA @ UVA Hospital

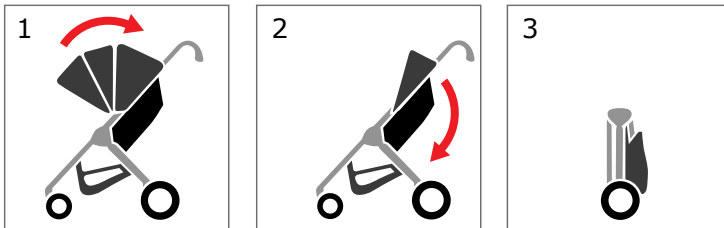

To request a connection, alert your driver as you board. Please keep in mind that connections are not guaranteed.

Time Points

When looking at the route schedules contained in this guide, you'll notice specific times are associated with specific stops. Each time point represents a departure time. If a bus arrives early, the bus must wait to depart until the printed time. Each time point is marked on the map with a red dot or icon.

Strollers

Once seated, passengers are required to fold their strollers. Folded strollers should be kept out of the aisles and clear of the entrance and exit doors.

Mobility Devices

All **CAT** buses are accessible to persons with disabilities. Let your driver know if you need help getting on and off the bus. To ensure safe travels, all mobility devices are secured through the use of a four point tie down system.

For persons with disabilities who cannot use standard fixed route service, JAUNT offers paratransit services. For more information, call JAUNT at (434) 296-3184.

Downtown Transit Station

The Downtown Transit Station (DTS) is located at 615 East Water Street. The DTS houses **CAT**'s Customer Service Desk. Whether you have questions about **CAT**'s routes or need to purchase a bus pass, customer service is there for you.

The DTS is open Monday through Saturday from 7:00 AM to 8:00 PM (Fare sales from 7:00 AM to 7:30 PM). On Sundays, the station is open from 9:00 AM to 5:00 PM (Fare sales from 9:00 AM to 4:00 PM). To contact the DTS directly, dial 434-970-3649 and select option 3.

7 Steps for an Easy & Safe Commute

1

FIND A DESIGNATED BUS STOP

Official stops are marked with a **CAT** bus stop sign, a unique 5 digit number, and supplemental routing information. To find a bus stop near you, check out the route maps contained in this guide. Bus stops are represented by dots and icons. Please keep in mind that drivers are only allowed to pick up and drop off at an official **CAT** bus stop.

ARRIVE EARLY

There's nothing worse than missing a bus by 30 seconds. When walking to a bus stop, give yourself a few extra minutes. A bus will only pick up passengers who are actively waiting at a bus stop.

2

3

HAVE YOUR FARE READY

While you are waiting at your stop, take a moment to prepare your fare. If you are using a 24-Hour Pass or smart card, please have it ready to scan through the farebox. Having your fare ready will help expedite the boarding process and ensure the route stays on time.

4

BOARD THE BUS

When the bus arrives at your stop, give exiting passengers a chance to get off. Once clear, all boarding passengers should enter through the front door. The driver will collect fares through the use of an automated farebox. If you plan on purchasing a 24-Hour Pass, verbally let your driver know. The farebox will dispense the requested pass once you have deposited your money.

5

PICK A SEAT

Once your fare has been paid, please take a moment to find the nearest seat. If all seats are full, passengers are encouraged to move towards the back of the bus. Doing so will keep the entrance doors clear and allow additional passengers to board. If the bus fills during the trip, please give your seat to the elderly and persons with disabilities.

6

REQUEST A STOP

As the bus nears your stop, let the driver know you want off by pulling one of the bell cords located above each window. When requesting a stop, please pull the cord early enough to allow for a smooth stop. Failure to do so may result in the bus skipping your stop and serving the next stop.

EXIT THE BUS

When possible, passengers should exit the bus through the rear doors. If you must cross the street, please wait for the bus to depart and then cross behind. Unlike school buses, transit buses do not have the authority to stop traffic. Passengers should be mindful of their surroundings before crossing.

7

Real-Time Arrival Information

Find out where your bus is before it arrives! **CAT** has three convenient ways to check real-time information.

Mobile App

The **CAT** app is available on both the Android and iOS platforms. To download, search "Charlottesville Area Transit" in your phone's app store.

With the app, you can see where your bus is in real-time, bookmark favorite bus stops, and discover alternative route choices.

If you are new to the area, the directions feature will produce a detailed transit itinerary based upon your starting and ending locations. This feature also allows you to plan trips in the future by setting either a departure or arrival time.

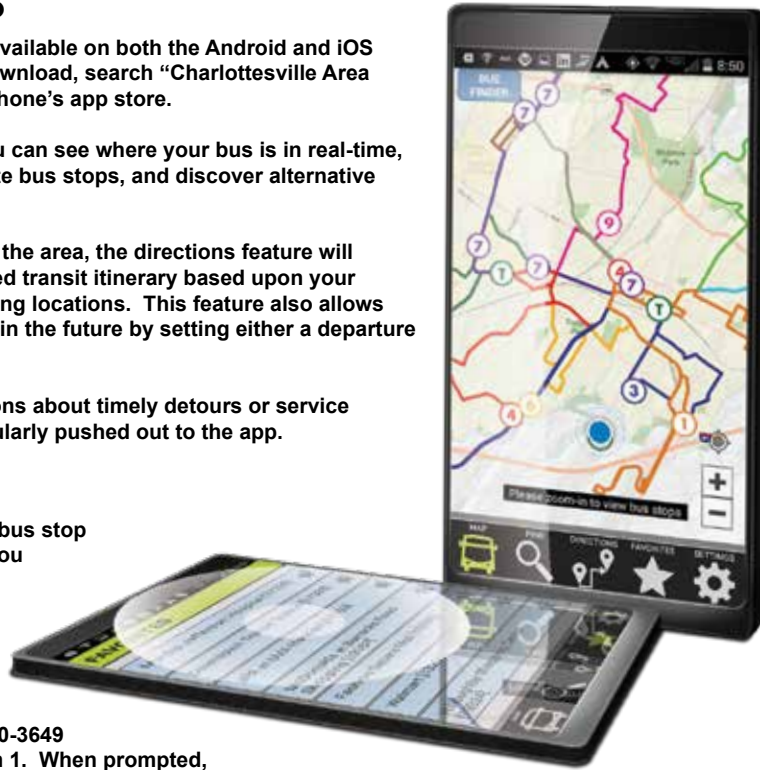

Lastly, notifications about timely detours or service changes are regularly pushed out to the app.

Phone

If you have your bus stop number handy, you can call our real-time arrival line to acquire arrival estimates. To call, dial (434) 970-3649 and select option 1. When prompted, enter the 5 digit bus stop number associated with your bus stop. Stop numbers are located on or near each bus stop.

Online

Point your browser to www.CatchTheCAT.org. From the home page, select "Bus Stop Search." Once loaded, enter your 5 digit bus stop number.

Complaint & Compliment Line

Did something happen on your trip? Let **CAT** know! You can leave feedback on **CAT's** complaint & compliment line. Simply dial 434-970-3649 and select

option 2. Please be as descriptive as possible about the incident including the date, time, bus number, and location.

Bikes & Buses

CAT provides the best of both biking and busing worlds! We welcome bicycle riders on buses, and provide convenient bike racks on the front of all buses and trolleys.

Each rack holds two bicycles, and space is available on a first come, first served basis.

When the bus arrives, signal the driver that you want to load your bike. You are responsible for loading and securing your bike on the rack.

To do so, follow the simple steps in the diagram to the right.

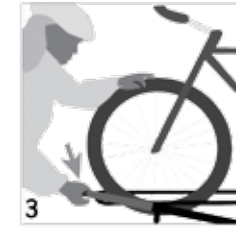

Upon reaching your destination, remind the driver that you will be unloading your bike, and make sure the driver acknowledges you.

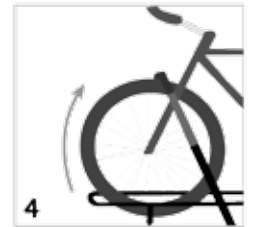

1 Squeeze handle and pull down rack

2 Place bike in slot with front tire towards hook

3 Grasp hook

4 Pull on hook to extend and then lift over tire

Youth Ride Program

If you are under the age of 18, you can ride **CAT** for free. As part of **CAT's** youth program to encourage transit use, **CAT** has expanded its summer youth ride program to offer youths free rides year round!

Youths under the age of 13 can simply board the bus without the need for a special ID.

Youths between the ages of 13 and 17 can ride free with a valid Youth Smart Card. The card will allow the student to ride any **CAT** bus free of charge until December 31st of the year they turn 18.

To obtain a Youth Smart Card, you'll need to visit **CAT's** Downtown Transit Station located at 615 E Water Street, Charlottesville VA 22902. The station issues cards Monday through Saturday from 9:00 AM to 3:30 PM.

When visiting the station, you will need to bring both a legal guardian and birth certificate. Your legal guardian will need to fill out the necessary paperwork to obtain the smart card.

The first Youth Smart Card is free. Replacement Youth Smart Cards cost \$10. **CAT** is not responsible for lost, damaged, or stolen cards.
